SHROVE TUESDAY
FROM THE PRINCIPAL

Dear Parents,

Yesterday the whole school attended Mass to mark Ash Wednesday, the beginning of Lent which is an important period in the Church’s liturgical calendar. Lent is typically considered a time of Renewal in preparation for Easter. This is achieved through Prayer and Fasting undertaken over the 40 day season. During this time we strive to imitate Jesus Christ’s actions and reflect on his life, death and resurrection. According to the catechism of the Roman Catholic Church, the Lenten fast is 40 days to represent the 40 days Jesus Christ spent fasting in the desert after he was baptized by John the Baptist. Traditionally Lent is also the time we focus on sharing the gifts we have received with those who are less fortunate, hence almsgiving is an important focus during this time. I know that many of you will be aware that Caritas depends on our generosity to continue to provide services and support to enable people in poorer countries to have a better life. I encourage all our school community to support this cause by donating to Project Compassion via the Project Compassion boxes available through the school or at the Church.

Parent Information Evenings
Thank you to all the families who have responded regarding the Parent Information Evening. The high response rate clearly indicates how interested and supportive you are of your children and their education. The overwhelming response (80%) received clearly indicates that parents wish for these evenings to be conducted at year levels. As a result of the survey, we will hold Parent Information Sessions on **Wednesday 4th March** for 3/4 at 7.00pm & for the 5/6 Levels at 7.30 pm. And **Thursday 5th March** for Preps at 7.00pm and for the 1/2 Levels at 7.30pm. The sessions will begin as a whole level and then parents will be invited to attend a brief session with their child’s teacher who will outline their expectations and class routines. At the conclusion of these sessions, there will also be an information session conducted by the Principal in the hall at 8.00pm. Parents are warmly welcomed to attend.

Parent Teacher Interviews
Just a reminder that the Parent/Teacher interviews are on next **Wednesday, 25th March**, beginning at 2.00pm. Please ensure that you have booked in your time using the online booking facility as this opened last Monday. These parent/teacher sessions are an important information sharing opportunity that helps teachers and parents better support the needs of the children. It is important therefore that parents take advantage of this opportunity and attend. The children will remain at school until the normal dismissal time. Staff not involved in the interviews will be supervising the children during this time. Parents are encouraged to collect their children and take them home once they have finished their appointment time. This will also help to ease the traffic congestion which inevitably occurs at these times. The senior students (Years 3-6) will be in the hall and the junior students (P-2) will be in the Library. If parents require an interpreter, please notify the office as soon as possible so that this can be organised.

School Photos
As you are aware our school photos will be taken next Tuesday, February 24th. It would be appreciated if all students could be present and wearing their correct summer uniform, including black shoes on the day. As Tuesday is our normal P.E. day, all students will need to bring their runners to school to change into for their lesson. Could all student photo envelopes please be returned by this Friday, February 20th. Also, family photo envelopes are available from the School Office for any family wishing to purchase these.

Parents & Friends Committee
Last week our Parents & Friends Committee gathered for our first meeting and we warmly welcomed all who attended. We would be delighted to welcome new members to our committee as we all know that ‘many hands make light work’. Everyone is welcome to attend the meetings held during the year so keep an eye out for the dates this committee meets. The committee have already organised many fundraising activities for Terms 1 & 2 beginning with the sale of Easter Eggs. I encourage all our families to get behind this hardworking group of dedicated mums as they strive to raise funds which ultimately benefit all the children in the school.

School Education Board
I sincerely thank the many parents who expressed an interest in joining the Board and nominated for a position. I was very encouraged by the positive response. The process now calls for voting by parents in the classes with vacancies. These will be conducted early next week so that all the positions on the Board can be filled prior to the first meeting which will be on Tuesday March 17th, at 7.30pm.
Staff Commissioning Mass and Prep Welcome Barbeque
This Sunday February 22nd during 10.00am Mass, Father Vincent will commission all the staff and welcome both the new Prep children and our new families to the school and parish community. We hope to see all of our families both at Mass and at the Barbeque for some food and a chat. We especially thank the parish team who have organised the cooking of the sausages and to the staff who have generously volunteered to help with serving after Mass.

Safety and Traffic Management
Whilst we recognise that parking is a difficulty at the school, parents are reminded that there is ample parking at the Coles carpark. In order to ensure the safety of the children and pedestrians at school we would appreciate parents noting the following:

Parking in Bottom Car Park (Settlement Rd entrance)
Entrance is before 8.30am in the mornings, and 3.15pm in the afternoon.
Exit is after 8.45am in the morning and 3.30pm in the afternoon.
Drivers are asked to park in the appropriate bays only. Double parking is not permitted as this constitutes a hazard should an emergency occur.
Cars are NOT PERMITTED to park in the first space facing the basketball court fence. This is not a parking bay as cars are usually stopped over the kerb.
The basketball courts are not available for parking in the morning or afternoon as many students use these areas as thoroughfares. Parents should not park here in the afternoon before 5.00pm.
The Parish parking area is not for use by parents of St Damian’s. This area is reserved for Parish business and for staff parking. Parents should not park in this area please.

Cars Entering and Exiting School Property
Between 7.00am and 9:00am in the mornings cars enter the school grounds via Settlement Road and exit via Plenty Road.
The above procedure also applies in the afternoon between 3.00pm and 6.00pm.

Change in traffic management
The gate in the laneway near CatholicCare will be locked every morning at 8.45am and opened at 9.15am. In the afternoon, there will also be a chain to block access to the Parish Car park. This area will reopen at 3.30pm This has been deemed necessary as some parents are still entering via the Plenty Road gates in the afternoon and using the Parish car parking area. We need to be both respectful and mindful of others as well as ensure the safety of all.

Parking for people with disabilities
If there are families who require a parking spot due to a disability (child/parent) please fill in a request form for a special pass. These are available at the school office. Proof of disability is required.

Congratulations to Jess Quinn and Gerry
We extend our congratulations to Jess Quinn and Gerry who will be married at the end of this month. We wish both Jess and Gerry a happy and fulfilled life together. Sadly Jess will be leaving St Damian’s at the end of term one, as she and Gerry will be working and living in Singapore.

School Closure: Friday March 13th. Focus: Staff will be working with Dan Petro, a behavioural analyst.

Open Day: Wednesday March 18, 2015
There will be an open day on Wednesday, March 18. This main purpose of the Open Day is to provide prospective Prep parents with an opportunity to visit our school. However if you are an existing parent and would like to tour the school, you are welcome to join a tour. Tours will be available at 9.30am, 11.30am, 2.30pm and 6.00pm.

Prayer

Steadfast God,
merciful and gracious,
you are ready to forgive.
Cleanse us of our sin
and leave your blessing with us.
May Easter find us ready to celebrate
and proclaim the new life offered in Christ,
who lives and reigns for ever and ever.
Amen.

Have a great week,

Rosanna Piccolo
FROM THE DEPUTY PRINCIPAL

NAPLAN 2015

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years Three, Five, Seven and Nine. It has been an everyday part of the school calendar since 2008. NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling and numeracy. The assessments are undertaken nationwide, every year, in the second full week in May. NAPLAN is made up of tests in the four areas (or ‘domains’) of:
• Reading
• Writing
• Language Conventions (spelling, grammar and punctuation)
• Numeracy.
NAPLAN tests skills in literacy and numeracy that are developed over time through the school curriculum.

Test Schedule for Year Three and Five

If you have any concerns regarding NAPLAN please contact me.

2015 Student Representative Council (SRC)

The students from Prep to Year Six are provided with the opportunity to further their leadership skills by participating in the Student Representative Council (SRC). Class meetings are held prior to each SRC meeting. St Damian’s has an active Student Representative Council (SRC) comprising an elected member from each of the eighteen classes in Year Prep to Year Six. The SRC provides the students with the opportunity to further their leadership skills. The SRC is responsible for providing a voice for the student body in making ongoing improvements to school resources and supporting student wellbeing.

We congratulate the following students who will form the 2015 Student Representative Council (SRC). Members will be presented with their SRC badge at the Assembly next Monday February 23 at 2.30pm. All are welcome to attend this assembly.

Jenny Rubira
Deputy Principal/Learning & Teaching Leader
**Sacrament of Reconciliation**
All students who are receiving the Sacrament of Reconciliation this year are asked to send sashes, orders for sashes or requests to borrow a sash to the school by Friday February 27.

**Sacrament of Confirmation**
Online bookings have now opened for the Sacrament of Confirmation. All students in Year Six received a letter outlining the booking details on Wednesday. The website is: [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) The booking code is: DWP4Q. Sacramental Sashes are due by Friday March 20.

**Sacrament of Eucharist**
Online bookings will open for the Sacrament of Eucharist on Friday February 20. All students in Year Four received a letter outlining the booking details on Wednesday. The website is: [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) The booking code is: 28228. Sashes will be collected at the end of Term Two.

**Lent and project Compassion**
The Season of Lent has now commenced. The whole school attended Ash Wednesday Mass and we were reminded by Father Vincent to turn back to God and believe in the Gospel. As a school and a parish we will be supporting Caritas throughout Lent. Project Compassion collection boxes have been placed in each classroom, the Staffroom and the Office. If your family would like to have a Project Compassion box in your home during Lent please visit the Church or the main foyer of the school to pick one up. The theme for Project Compassion this year is ‘Food for Life’. Pope Francis said at the launch of the Caritas campaign ‘I invite you to make space in your heart…respecting the God-given rights of everyone to have access to adequate food’. By supporting Project Compassion you are helping to empower the world’s poorest people to gain skills and opportunities to establish sustainable food sources for life. Thank you in advance for your support.

Aoife Mc Carthy  
Religious Education Leader

### Student Wellbeing

This year at St. Damian’s we are very excited to be continuing to promote Student Wellbeing through various initiatives and activities. It is well researched that there is a strong connection between the promotion of wellbeing and positive learning outcomes for students. In my role as Student Wellbeing leader, I am very passionate about working with staff to create engaging and effective social and emotional learning opportunities for our students. Please keep an eye on the newsletter for further information regarding Student Wellbeing.

**Lunchtime Clubs**
The lunchtime clubs at St Damian’s for 2015 have started and are proving to be very popular. Please encourage your child to join a club if there is something that is of interest to them. It is a great chance for them to explore new interests and to meet other students.

**Communication/Technology Workshop**
In the coming weeks there will be an interactive information session for parents interested in becoming more familiar with accessing our school website, class blogs and using the school Tiqbiz App. There will be information sent home soon regarding this workshop.

Thank you,  
Kellyann Stella.  
(Student Wellbeing Leader)
The start to the year has been very busy both for the students and the teachers. Teachers have been working with students to ascertain their knowledge, skills and understanding of mathematical concepts in the unit of work they are studying. To support the learning at school, the following are a number of suggestions which you might keep in mind when you are helping your children.

Building on success is important. Create the impression that learning mathematics well is desirable. Reward effort and see errors as part of the learning process.

People learn, not so much by being told things, as by working things out for themselves and linking new ideas to ideas that they already have. You can help by asking your children questions, letting them work out answers for themselves, and then discussing their answers and strategies with them.

Children need time to think and time to answer. When asking your children questions or talking to them about mathematics, give them time. Be patient. Wait for them to answer. Also, explain to older children that they need to give younger children time to answer questions, rather than always answering for them.

Encourage children to talk. Talking about mathematics is an effective way of learning, especially when a mathematical situation arises naturally.

Use mathematical words when you describe things. For example, instead of saying “the big red bucket” you might say, “the 10 Litre bucket”. Instead of saying “the large packet of rice”, you might say, “the 2kg packet of rice”. In this way, children get to hear the quantities being stated as an everyday way of describing things.

There is no hurry. Children develop their mathematics skills gradually and there is no urgency about developing any particular skill. It is necessary to work progressively on helping them to learn mathematics. Start now, but there is no particular need to accelerate your child’s development.

Help your child’s teacher. Your child’s teacher is vitally interested in your child’s mathematical development. Talk to the teacher about how your child is going in mathematics and find out whether there are any ways that can help your child. Supporting teachers if they recommend any homework or home-based activities is highly desirable. Speaking positively about the school and teachers builds a positive feeling in the child about school and learning.

A Guide for Parents-The suggestions above have been prepared by staff at the Mathematics Teaching and Learning Centre at the Australian Catholic University as a guide for parents.

Diane Foley & Danielle Di Stefano
Mathematics Leaders

SPORT NEWS

Swimming Trials and Carnival
The swimming trials have been completed and the school swim team has been announced. Thank you to the record number of students who tried out for a position on the team and to all of the parents that helped to marshal the students for their different events. Congratulations and good luck to those students who made the team and will be representing the school on Wednesday February 25 at WaterMarc.

Tennis Clinic
Last Friday the whole school participated in a Hot Shots tennis clinic. We thank John Hampson from Bundoora Tennis Club and Gripping Potential Tennis Coaching for helping to organise the day. From the looks on the students' faces they seemed to have a great time.

Tim Watson
Physical Education Coordinator
**Literacy News**

Over the last two weeks we have conducted ‘Classroom Parent Literacy Assistant workshops’ for interested parents of years Prep to two and Three to Six students. We had a pleasing number of parents attend. Mrs Gibbs presented a workshop for the Prep to Two Parents and Mrs Dragonetti presented a workshop for the parents of Three to Six students. Information about classroom practices in relation to literacy learning today was presented, with lots of helpful tips for parents when working in their child’s class. Teachers highly value the support of parents and the feedback received was very positive. We look forward to seeing our dedicated parent helpers supporting the learning in our classrooms.

Mattie Dragonetti & Leanne Gibbs
Literacy Leaders

---

**Seasons Peer Support Program**

This year we will be running another Seasons Peer Support Program. This group is for students who have suffered grief or loss in their lives. Typically, the group is aimed at students who have experienced a parent/close family member pass away or for students who have had parents separate/divorce. The Support Program will be held during school time for an eight week period. The sessions run for approx. 45 minutes. This not a counselling program, it is a peer support program and as such is a way for students to support one another during challenging times. Students will work together in a small group with an adult companion who will guide the students through the Seasons program. If you are interested in your child attending these sessions please contact Maureen Kovacevic: mkovacevic@sdbundoora.catholic.edu.au or phone 9467 8566.

Thank you,
Maureen Kovacevic
Seasons Companion

---

**Education Maintenance Allowance**

Please note that parents are unable to apply for the Education Maintainance Allowance in 2015. From January 1 2015, the government will provide extra financial support directly to the neediest schools instead of providing the allowance directly to parents. Victoria’s neediest schools will receive the most money, not all schools will be receiving funding in 2015. For more information, please refer to:

The EMA web system is at:

---

**Pupil Free Day**

Friday March 13

Dan Petro, a behavioural analyst, will be working with staff on developing strategies to best meet the individual needs of students. Children are not required at school on this day.

---

**SCHOOL PHOTOS**

School photos will be held on next Tuesday February 24 from 8:45am. All students are to be in their full summer uniform and school shoes (no runners). Students who have their PE class on that day are required to wear their summer uniform and may bring their runners to wear for their PE lesson. Photo order forms were sent home last week. Family Photo envelopes are available from the office.

Help your kids manage their asthma
Checklist for Parents

| Does your child have an up to date Asthma Action Plan (Asthma Care Plan)? |
| The Asthma Care/Action Plan tells the school how to manage your child’s asthma and what to do if their asthma gets worse. This should be updated & signed by the doctor on an annual basis. |

| Does your child carry their reliever puffer and spacer with them at all times? Or is it readily available to their Carers? |
| Medication needs to be available wherever your child may be (school, child care, sporting field, home). |

| Are you and your child aware of their asthma triggers? |
| Do you take steps to avoid these triggers? Are the Teachers aware of these triggers? |

| Do you listen to what your child says? |
| They will be aware of their asthma symptoms and should be able to tell you when they need their medication. |

| Does your child take their asthma medication correctly? |
| Good technique allows more medication to get into the lungs where it is needed. Talk to your doctor or pharmacist if you would like to check your device technique. |
