The Journey Begins

As we step into this new year,
Restore our spirits.
Renew our passion for sharing your wisdom
And nurture our compassion
for those in need of greater support.

Transform us as we seek to transform;
Guide us as we seek to guide;
Open our minds and hearts
As we seek to open minds and hearts
to the Good News of justice and peace.

Help us listen more deeply
To the world and to your Word,
So we can walk with those in our care,
Attentive to the Wisdom that
Calls us all to the Kingdom of God.

From a prayer by Jean Daniel, http://www.educationformission.org
Dear Parents,

Welcome Back for 2016
A very warm welcome back for the 2016 school year to all our students, families and staff. I hope that the holiday break was both enjoyable and relaxing for all of you. Our year has started well and we are looking forward to another wonderful year of learning here at St Damian’s.
On Monday there was an opportunity to meet some of our new families as well as many continuing families at the morning tea held in the hall. This was an informal and enjoyable way to meet and welcome all to our school community. There seemed to be a general consensus from the parents with whom I spoke, that the orientation sessions offered last year for our incoming preps supported an easy transition into schooling. We are very happy that this process has been successful, and with the feedback received, as we are always looking to improve what we do and offer to our community.

Fr Vincent
I am sure that many of you are aware that Fr Vincent has been away from the Parish over the holiday period. Father has been unwell and has spent this time recuperating from surgical and medical procedures. The good news is that he is recovering and we look forward to his return to his ministry here at St Damian’s very soon.

Ash Wednesday
Next Wednesday, is Ash Wednesday which marks the beginning of the Lenten Season in the Church. Lent is the time we are asked to PRAY, FAST and GIVE TO THE POOR as we prepare our hearts and minds for the Risen Lord at Easter. This year is also the year of Mercy as decreed by Pope Francis. As Sacramental people, let us open ourselves more fully to Christ’s messages of love and mercy in our daily lives and in our interactions with others. The Project Compassion Boxes will be available at Church and at school for families wishing to take one home to collect ‘spare’ coins to donate money to help people less fortunate than ourselves.

Welcome to St Damian’s
I would like to welcome all who are new to St Damian’s. I hope that your time here with us will enrich you so that you feel a valued member of our community.

We extend a warm welcome to the following new families:-

Arfi, Barbaro, Georgiou, Lin, Pagiamtzis, Prosenik, Proseva, Storrie, Teng, Tjoa, Verma, Baker, Bourke, Budiono, Catanese, Lamptey, Lu, Ma, Ren, Tarantelli, Barry, Garcha, Lai, LaRocca, Licciardo, Lucas, Luo, Lupieri, namburi, Soklev,

On Monday we welcomed all our 2016 Prep children. Commencing school is a very exciting and special time for the children and their families. I especially thank our Prep teachers, Carmen Bruce, Julie Cannatelli and Marcia Smarelli, for their commitment in ensuring a smooth settling in period for the children I would like to extend our gratitude to all our Pre parents for preparing their children so well to begin their formal schooling.

2016 Staff Members
We welcome back all our staff and look forward to an exciting year of learning. I wish to acknowledge the professionalism and commitment of our staff who have spent many hours during the school holidays preparing and organising for the beginning of another school year. The class teachers also spent time planning for the children’s learning. All the staff’s efforts are obvious in the bright and welcoming environment that welcomed the children. We are indeed fortunate to have such hardworking, dedicated staff. We especially welcome to our school Miss Mary McArdle, Miss Tuppence Scott, Mrs Rachel Lorkin, Mrs Maree Foley-Smith who are new this year. We also welcome back Mrs Georgia Wise, Mrs Louise Zannino, Mrs Cris Brewer who have returned from Maternity Leave. Anaphylaxis
It is important that I remind you that we have many students in our school who are at risk of having an anaphylactic reaction. Anaphylaxis is a severe, rapidly progressive allergic reaction that is essentially life threatening. The most common allergens in school aged children are peanuts, eggs, tree nuts (e.g. cashews), cow's milk, fish and shell fish, wheat, soy, sesame, latex, certain insect stings and medication. The key to prevention of anaphylaxis in schools is knowledge of those students who have been diagnosed at risk, awareness of triggers (allergens) and prevention of exposure to these triggers.

Partnership between schools and parents is important in ensuring that certain foods or items are kept away from the student while at school. Adrenaline given through an EpiPen auto injector to the muscle of the outer mid thigh is the most effective first aid treatment for anaphylaxis.

Many parents have already received or will be receiving a letter, informing them of children in their child's class who are at risk of having an anaphylactic reaction and the associated triggers. I encourage you to take particular notice of this letter and I also encourage all parents to discuss the severity of anaphylaxis with their children.

As a school we are taking every precaution to ensure the safety of these students who are at risk.

Our Anaphylaxis Management Policy is available on our school website: www.sdbundoora.catholic.edu.au

PLEASE NOTE: Change of Timetable for the Start of the School Day.
To ensure that teachers have sufficient PREPARATION time and that we MAXIMISE the students' learning time, we are making some MINOR changes to the school day. In an effort to preserve FIVE HOURS of learning time each day we will be starting classes at 8.45 am. School will conclude at 3.15pm. This adjustment to the starting time will ensure that we have 25 hours of teaching time per week, which is a mandated requirement of all schools.

SCHOOL SAFETY
I am certain that many of you have been aware of some of the hoaxes that have necessitated schools across the Nation being evacuated this week. This is a huge concern for schools and I am sure for parents as well. As a school we have a great responsibility to ensure the safety and wellbeing of our students and as parents I know that you appreciate that we take this very seriously. As a staff we have discussed how we can best provide a safe learning environment for our students. We also need to consider that learning time is very precious and that every minute of the school day counts. It is often very difficult to continue with good teaching and learning with noise and traffic outside classrooms.

Therefore we are making the following changes:

- Students will be asked to remain outside the school buildings in the mornings and gather on the top basketball court. The music will play at 8.40 am and teachers will come out to collect the children and walk them into the classroom where they will ready themselves for the beginning of the day. Meditation will be at 8.45 am. The children will also line up on the basketball court after each recess break and be taken into class by their respective teachers. At the end of the day all students will be dismissed and walked out of the school buildings.
- Any student arriving late must be signed in at the school office by an adult. Then the student will enter the buildings via the office area. The double doors to the junior corridors will be locked at all times to ensure that we know who is in the school and on the property at all times. All messages and items to be given to students must be done through the school office. Parents volunteering in classrooms, etc are expected to wear a visitor’s badge. All outside doors to buildings will be kept locked at all times.
There is no change, at present, to the opening and closing of school gates. We request that parents work with us on this because, as a school, we are trying to be proactive in managing our emergency procedures and also provide an optimal learning environment for the students. Parents wishing to speak with teachers should communicate via email, phone or by making an appointment at a mutually suitable time. Parents are welcome to use the Parent Room located at the top of the ramp, near the computer lab, or the garage area to sit and wait for their children. We would appreciate parents not entering corridors, or open areas in the morning or in the afternoon.

**School Assemblies**
Our School Assembly day will be Monday at 2.30pm, which is the same time as last year. Assemblies will be held approximately every two weeks, however please refer to the dates detailed in this week’s newsletter. Parents are most welcome to attend:
**Monday:**  February 8, February 22, March 7 & March 21

**Education Board**
The school Education Board will convene very soon. We will be looking for some new members as vacancies were created with the retirement of some members at the end of last year. Please be on the lookout for nomination forms which will be sent home soon. We would love to welcome new families as well as continuing families.

**P&F Committee**
Due to the poor response for membership to the P&F there is a possibility that this committee may fold in 2016. At present we have not filled many roles including the executive roles. There is a meeting next Tuesday of this committee who fill a great need in the school in providing funds to benefit the children. We desperately need to improve the play equipment for the children and this has been the focus of 2015-2016. However, if there is no viable P&F this vital work will not be able to continue. Please join this group and become involved in your children’s education. It would be very disappointing if this group folded. Please come to the meeting and join it in some capacity. We know that the more support given the lighter the workload for everyone.

**Prayer for our Learning Journey this year:**
God of the present, give us the courage to be our true selves.
Help us to celebrate the gift of the present time – to delight in it and embrace it in all its mystery.
We thank you for sustaining us and for bringing us to this moment upon our journey.

*Have a wonderful week,*
*Rosanna*
